POSTPONED

091068 Fire Department/Vacant Structure Burn Policy

Referral by Councilperson Hill to FIRE DEPARTMENT/MAYOR/ADM. She asks about the Fire Department's policy for letting vacant structures burn. Is this an established, written policy that all fire service personnel are aware of and adhere to? Her concerns stem from a recent incident on Mabel Avenue (approx. 1:00 a.m., Saturday, September 19th) whereby a vacant house was allowed to burn and consequently destroyed and/or damaged 3 -4 nearby homes. Please provide a copy of the fire report for said incident, as well as a copy of the department's policy for the burning of vacant structures.
